Bilinga Beach Weddings

**Updated advice – Coronavirus**

Good morning/afternoon.

Firstly, as the President of the Bilinga SLSC I want to convey our Club's appreciation in your decision to hire our venue for your special occasion or you are in a position to hire our venue in the future.

As you are aware of the Federal Government announcement last night 22 March 2020 of Stage 1 of the further restrictions that will affect our lifestyle and our Club's activity as a licensed venue.

The Bilinga SLSC is a licensed premise and our function area will be closed from 12 noon on the 23 March 2020 until further notice. In addition, our floor space to hold an enclosed gathering was reduced to 35 persons including staff from the Federal Government direction last week with the four-square metres per person and social distancing.

With these present restrictions our club is unable to provide you the venue space for your function. The current situation is changing constantly and we all must work together to provide a safe and healthy environment of our community.

Our club is not going away we have been around since 1938 and when we get to end of this pandemic we will still be here and be able to give you the opportunity to provide a venue for your special occasion.

Our Function Coordinator Julie who does a fantastic job for our club can discuss alternate dates for your function if you wish to postpone. Alternatively, if you decide to cancel your booking Julie can make the necessary arrangements for your deposit return.

If you have any inquiries regarding your booking or future bookings, please do not hesitate to contact us at [enquiries@bilingabeachweddings.com](mailto:enquiries@bilingabeachweddings.com) or mobile number: 0400 700 631.

I apologise for the inconvenience, but we have work together through these times which will be hard for all us.

Stay safe and healthy.

Regards,

John Hamrey

President
